Date : 7th January 2018

Key Scripture : John 4:19-26

Notes

Welcome to 2018 – it's time for the big Ds.

DECISIONS

Time to get to grips with what needs changing.

This could include –

Bible reading - time with God - prayer - fasting
No more delay - the time has come - this is it!

What about - Worship?

Worship - what's in it for us?
Who is the 'us' - you and me?
or
God and me.

What does God get out of worship?
What do we get out of worship?

Here in John 4 Jesus meets a woman at a well and out of this encounter 4 major things happen, all in the context of worship.

- Establishing a relationship with the Father.
- A release of the revelation of Jesus Christ.
- The restoring of her soul.
- Being 'repositioned' in life.

What's in it for us?

God gets His children.
We get our Father.
She gets a Saviour.
He gets a lost sheep.
