Notes

RESTORING HER SOUL

We are back with that 'woman at the well'.
She is both a person in her own right and a picture of humanity as a whole

- Humanity – lost in religious activity.
- Humanity – seeking satisfaction in relationships.
- Humanity – drinking from a well that never satisfies.
- Humanity – desperately needing a Saviour.
- Humanity – living on the edge of rejection.

Jesus came to 'restore her soul'.

She's had 5 husbands.
She's living with 1 who's not her husband.

$5 + 1 = 6$
6 is the number of man.

Jesus turns up and He is the - 7th man
– 7 is the number of God.

He is everything she has been looking for and He restores to her:

Identity – she is a child of God.
Affirmation – she is loved and wanted.
Purpose – she has a destiny to fulfil.

Jesus finds His bride at the well
She is restored.
