Key Scripture : Exodus 17:7-13

Notes

Last week the Lord prophetically spoke to us through Cath Broadbent. He called us to wake up!

Wake up to the truth that we have the same eternal enemy Jesus had, who He called the thief, the liar, the murderer. Satan's intentions are totally different to Jesus intentions (John 10:10).

How can we live the John 10:10 life of victory Jesus said that we might have?

Learn 4 New Testament Keys:

1. Wake up and be alert – not asleep to spiritual realities.
2. Wake up and realise victory comes in the spirit realm and will be manifested in the natural.
3. Wake up and realise we have been deputised – we already have all the authority and power we need. We need to believe it and use it.
4. Wake up and persevere until the task is complete. Use your words to bring victory and not defeat

Do you need to wake up from complacency, apathy, inaction or unbelief?

Are you ready to begin to operate in the authority which has been delegated to you on Earth?

See your new perspective as a son/daughter of God, seated in heavenly places with Christ Jesus.

You have a joint account with Christ – start splashing the cash!

Get ready to:

INSIST – PERSIST- ENFORCE IN RESTORING WHAT IS YOURS.
