Title What Do You See?
Date 28th October 2018
Key Scripture Zechariah 4:1-10 Haggai 2:3-9

Notes

We are asked many questions throughout our lives; some minor and trivial, others important and weighty. Here's a question, the answer to which is a major key to your future – what do you see?

Zechariah has a vision in which he sees things he doesn't understand but nevertheless they are keys to the next move of God for him and his nation. Read through these verses, listen to the message and ask yourself the following questions:

- 1) Am I 'spiritually awake'?
- 2) What am I seeing in the spiritual realm?
- 3) Do I understand what I see?
- 4) Am I living a 'Spirit-filled life'?
- 5) Is there a mountain (obstacle) before me?
- 6) Am I prepared to involve in what God is doing?
- 7) Do I see 'the latter-glory' of my life as greater than the former.

What do you see and are you connecting with Jesus in what you are seeing?
